

BREWERY OF THE MONTH

Rabbit Hole Brewing Justin, TX

Modano 561

Mike Modano's 561 Kolsch-style beer is a clean, crisp, yet deceptively complex brew which features a delicate balance between soft malt and a subtle fruity hoppiness. The 561 experience is smooth, crisp and wonderfully refreshing—a lighter beer, without the compromise.

ABV: 4.7% **IBU:** 26

Mystic Rapture

Mystic Rapture pairs Rabbit Hole Brewing's award winning Rapture Fusion Brown Ale with Mystical Coffee's Ethiopian Ardi offering. The noticeably amped-up nutty-chocolate and coffee aroma and flavor of this cold brew coffee-infused version of Rapture truly Mystical.

ABV: 6.4% **IBU:** 33

Off With Your Red

Off With Your Red is an aggressively hopped red IPA. The substantial malt backbone establishes the dark ruby/garnet color and supports the significant flavor and aroma additions of American Pacific Northwest hops.

ABV: 7.7% **IBU:** 88

Shield Biter (draft)

A rich, sweet, full bodied strong Scotch Ale. Low hop bitterness and lightly toasted bread notes compliment the rich caramel and dark fruit flavors that abound.

ABV: 8.0% **IBU:** 26
