

## BREWERY OF THE MONTH

**Bitter Sisters Brewing Co.  
Addison, TX**

### **Family Trip (draft) *Belgian Tripel***

This Belgian Tripel, has a slightly fruity nose that starts up front and transitions into a sweetness before finishing clean on the palette. Fun for everyone, Family Trip will have you reminiscing from the way

back.

**ABV: 10.14%    IBU: 20**

### **Busy Body *Blonde Lager***

Brewed with authentic German Pilsner Malt and a touch of German Munich Malt, our Blonde Lager has a pale color and a slightly bready but crisp, clean taste. The use of German Magnum hops helps to balance out the sweetness from the

German Malts.

**ABV: 5.92%    IBU: 22**

### **Cat Fight *India Pale Ale***

Our IPA is a bold blend of grapefruit citrus and melon that showcases American hops. The flavor and aroma are complimented by just enough bitterness to get your

attention.

**ABV: 6.66%    IBU: 62**

### **Knock Out *Irish Red Ale***

Our traditional Irish Red is a punched up ale with a perfect balance of bready, slightly toffee flavors of the malt mixed with the bitterness of traditional English hops. We use authentic English caramel, dark crystal and chocolate malts along with a good amount of two row barley which kicks this traditional style up a few

notches.

**ABV: 8.16%    IBU: 40**
